Nothing Gets in the Way as Crews Press on for Day Four

Rockville, Md. – June 26, 2008 – It's amazing what can be completed with passionate crews working 24 hours a day. During construction day four, the final full day of construction, Classic Homes of Maryland and their teams will continue to work long hours towards their goal. Final plumbing, installation of cabinets, granite and marble tops, and hardwood floors are the details on the agenda today.

Tomorrow is the final day of construction and then teams must turn-over the keys to *Extreme Makeover: Home Edition* design team leader Ty Pennington. The race against the clock to make sure every detail is correct has never been tighter. The goals for Classic Home of Maryland for tomorrow? Finalizing the details, such as final painting touch up, landscaping, paving, appliance install and final inspection. And don't forget the cleaning, Classic Homes of Maryland will need to clean the house from top to bottom to make it ready for Ty and his team.
